Important Notices:

Conducting campaign finance activity prior to the filing of the statement of organization is prohibited. Once you have completed this form in its entirety, including all required signatures and filed it with the State Board of Elections, the entity named herein must open a bank account designated solely for this purpose and may begin raising and spending money.

To serve as a chairman or treasurer an individual must:

- Be a registered voter of the State of Maryland and
- Be in good standing with the Candidacy and Campaign Finance Division and
- Have an active email address.

Each responsible officer of the committee must have an individual email account on record with SBE to access MD CRIS in order file and verify reports. A system generated temporary password will be sent to your email address on record at the time of registering the political committee. Once you log in, you must change your password. Responsible officers may not share the same email address for a political committee. Failure to have an email address on record will not relieve the committee or the responsible officers of their reporting obligations. If you did not give an email address at the time of registration, you need to update the committee registration page with that information.

The treasurer is responsible for all receipts and expenditures of the political committee. All assets received by or on behalf of the campaign finance entity must pass through the hands of the treasurer. Additionally, only the treasurer can disburse campaign funds. Maryland law requires that the treasurer keep a detailed and accurate account book on behalf of the campaign finance entity.

A treasurer may not serve “in name only” and may not delegate any statutory responsibility to another person, including the candidate.

The State Board satisfies all notice requirements under Title 13 by sending notices to addresses provided by the responsible officers.

Late fees assessed against the committee must be paid with campaign funds.
