6. Fair Reflection of Presidential Preference
  - (1) Presidential Primary - Proportional Representation Plan (*Rule 13.A, Rule 13.B & Rule 13.D*)

## Maryland 2016 Delegate Selection Plan

---

The Maryland presidential primary election is a “binding” primary. Accordingly, delegate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district. The National Convention delegates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.

- b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be the percentage of the vote received in that district by the front-runner minus 10%. (*Rule 13.F*)
  - c. In the event that a presidential candidate (or uncommitted status) is eligible to receive delegates and alternates, but fails to slate a sufficient number of delegate and alternate candidates, the Democratic State Central Committee shall elect sufficient delegates and alternates pledged to that presidential candidate (*Rule 13.C.*)
    - (a) Selection of these delegate and/or alternates will occur at a meeting of the full Democratic State Central Committee on May 21, 2016 prior to the election of pledged at-large and PLEO delegates
    - (b) The selection of these delegates and alternates will uphold the equal division and affirmative action provisions outlined in the Delegate Selection Plan
    - (c) An individual can qualify as a candidate for any such delegate or alternate position by filing a declaration of candidacy with the State party from May 9 to May 17, 2016. Every declaration of candidacy must be accompanied by a pledge of support for the presidential candidate or declaration of uncommitted status, for which the positions are vacant.
7. Equal Division of District-Level Delegates
- a. In order to ensure the district-level delegates are equally divided between men and women, delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. This assignment of delegate positions, alternating by sex as mathematically practicable, will continue with the next highest vote-getting preferences in descending order until the gender of each position has been assigned. (*Rule 6.C.1 & Reg. 4.8*)

---

## Maryland 2016 Delegate Selection Plan

---

- (a) Equal division of delegates at the district-level will be achieved by listing district-level delegate candidates on the ballot in separate categories for male and female candidates.
  - (b) In districts with an odd number of delegates, the first delegate selected for the winning presidential preference must be of the same sex as the advantaged gender in that district. Following that determination, the allocation would continue alternating by gender for the winning presidential preference and any subsequent preferences. In districts with an even number of delegates, the highest-vote getting delegate candidate for the district's winning presidential preference will be the first delegate assigned. Following that determination, the state will then designate the remaining positions for that presidential preference and any subsequent preferences alternating by gender, as mathematically practicable.
8. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates to the Democratic National Convention within 10 days after their election. (*Rule 8.C & Call IV.A*)

    - (5) "Distinguished Party Leader" delegates who legally reside in the state (if applicable); (*Rule 9.A.5, Call I.G & Reg. 4.13*)

---
