Three precincts in Baltimore City will be open until 9 pm today. The 3 precincts – 27-28, 27-29, and 27-35 – are located at the Baltimore IT Academy #378.

This afternoon, the Baltimore City Circuit Court ruled that these 3 precincts must remain open until 9 pm because they opened late this morning. These precincts did not open until approximately 9 am because pollworkers were unable to access the secure room where the voting equipment and supplies were stored.

Voters who vote at the Baltimore IT Academy #378 after 8 pm will vote a provisional ballot. This is required under federal law to ensure the ballots cast during extended voting hours can be separated from election results if the order extending voting hours is overturned.

All other precincts in Maryland will close at 8 pm. Any voter in line at 8 pm will be allowed to vote.

All results from early voting will be held until voting ends at 9 pm in these 3 precincts.
