¹As of October 22, 2013. See Regulation 33.17.02.01A of Code of Maryland Regulations.

²Section 10.301.1(b) of the Election Law Article of the Annotated Code of Maryland specifies the number of early voting centers for each county. A county with fewer than 125,000 registered voters shall have one early voting center established in the county. A county with more than 125,000 registered voters but fewer than 300,000 registered voters shall have three early voting centers established in the county. A county with more than 300,000 registered voters but fewer than 450,000 registered voters shall have five early voting centers established in the county. A county with more than 450,000 registered voters shall have eight early voting centers.

³In addition to the early voting centers required in this subsection, each county may establish one additional early voting center if the State Board, in collaboration with the local board, and the governing body of the county agree to establish an additional early voting center.
